

Motorcycle Insurance Application

Your Duty of Disclosure

You must tell us

When answering our questions, you must be honest and you have a duty under law to tell us anything known to you, and which a reasonable person in the circumstances, would include in answer to the question. We will use the answers in deciding whether to insure you or anyone else to be insured under the policy, and on what terms.

Who needs to tell us

It is important you understand you are answering our questions in this way for yourself and anyone else who you want to be covered by the policy.

If you do not tell us

If you do not answer our questions in this way, even by mistake, we may refuse to pay a claim, or cancel the policy, or both. If you answer the questions fraudulently, we may refuse to pay a claim and treat the policy as never having existed.

Unusual Terms

The policy you are applying for contains what may be considered unusual terms. These are listed in the Product Disclosure Statement (PDS). We strongly recommend that you read the PDS and the entire Policy Wording to make yourself familiar with all the terms and conditions of the Policy.

All questions must be answered in full. If there is insufficient space to fully answer any question, please attach a separate sheet of paper. If you are unsure how to answer any questions, please contact your insurance adviser.
