### Interim Cover

**Cover is now bound**

Confirmation of Interim Cover and Application Summary documents are available via the PDF links to the right hand side of this page. Copies have also been sent via email.

The Application Summary is essentially a pre-filled proposal form, and has been created using your responses. It is important that a copy of the Application Summary is provided to the Insured for their verification. We do not require a signed copy of the Application Summary to be returned to us.

**What happens next?**

If there are any changes required, you can unlock the Interim policy and update any information. The changes will then be resubmitted to us for assessment, and a new Application Summary will be provided.

If the Insured has confirmed that the Application Summary is correct and complete, the policy can now be closed. Once the policy has been closed a full policy number will be assigned, and a Schedule of Insurance will be issued in due course. Please note a closing document is not required.

Please note that the Interim policy is valid for 14 days, after which cover will lapse and notification will be sent.

**Bound Interim expiry date:**  
03/02/2015

Unfortunately you have exceeded your Bound Interim policy period by 69 day(s). Click Next to lapse this policy and contact us on 1300 188 299 to arrange to have this quote reopened.

### **Do I need to provide all details before I can get terms?**

We require all of the vehicle and risk details before we can provide terms. Xccelerate allows you to automatically bind and close cover.

- Some details will need to be checked and verified depending on the risk.

### **Can I submit an expired quote?**

Yes. If an approved quote is over 30 days, it will need the underwriter to reapprove. This is as simple as unlocking the quote, making changes to ensure the information previously supplied is up to date and correct.

- Submit the quote to Dawes via the normal quote process.

### **I can't bind interim cover when the policy is to begin in over 30 days time**

The system will only allow you to bind an approved quote up to 30 days in advance.

- If the inception date is 30 days or less , you can proceed to bind.
